THANKS YOUR 091 RE "DIPLOMATIC" SOURCE LINES. CONCUR IN YOUR
HANDLING OF TELAM, WHICH IS CONSISTENT WITH STANDARD TREATMENT OF
WESTERN PRESS SOURCE LINES. HOWEVER, INCLUSION OF BEAM "DIPLOMATIC
MISSIONS" WOULD NOT REMOVE OFFICIAL USE CONTROL FROM PUBLICATION,
SINCE SOURCE RATHER THAN TARGET IS THE DETERMINANT. IF THE NATURE
OF THE FILE (OR PORTION OF FILE IN CASE OF INFORMEX OR INTERPRESS)
LEND SPECIAL SIGNIFICANCE TO THE BEAM, THERE IS NO OBJECTION
TO INCLUSION OF THE BEAM IN THE SOURCE LINE. THIS IS LEFT TO THE

PAGE 2 RUEPSE 30A UNCLAS

BUREAU'S JUDGMENT AND DISCRIMINATION. INCIDENTALLY, WOULD APPRECIATE
BY MAIL ONE SAMPLE FILE (RAW COPY) FROM EACH OF THE THREE DIPLOMATIC
CAST SOURCES CITED IN ORDER TO AID OUR PERSPECTIVE OF THIS PROBLEM.
